Dear David,

This letter formalises the donation of the painting entitled "Portrait of Edith Hannan", by Arthur Spooner, to the Nottingham Society of Artists.

The Society will display the painting in the studio on the top floor of St Luke's House, Friar Lane, Nottingham, NG1 6DH, for the indefinite future. It will be placed in a locked frame firmly attached to the wall, itself behind a further locked door when the studio is unattended. This reconciles security with the desire to have the picture on permanent display although absolute security cannot, of course, be guaranteed.

In the unlikely event that the Society no longer wishes to display the picture, the donor will be informed and the future of the painting discussed.

Two copies of this letter will be signed by both parties to the agreement, and one letter kept by each.
